

## *The ultimate in fine American 35<sup>mm</sup> cameras*

You'll get the picture you want every time with the Argus C-4. It gives you more picture-taking opportunities too, because its superb Cintar f:2.8 lens lets you keep on shooting in dim light or on dark days. Precision-crafted throughout, it has a combined rangefinder-viewfinder, shutter speeds to 1/300 second, double-exposure preventer, lock-on flash. And now, with new Color-matic settings, the C-4 is the world's easiest precision camera to use!
